Porndemic, *Director: Robin Bengel*, puts faces and personalities to the extraordinarily profitable business of pornography today. With extraordinary access, this documentary goes behind the scenes to reveal the characters who are turning cyber-porn into the biggest delivery system in the history of sexual imagery. Apr. 2009

Pharma Sutra, *Cogent/Bengel productions, CTV*

Pharma Sutra follows three costly pharmaceutical products as they run the marketing and scientific gauntlet to cash in on an estimated 5 billion dollar "female Viagra" market. Does the future success of these drugs depend on disease called FSD (female sexual dysfunction) that has been merely invented? Or will they actually meet the genuine needs of millions of women who are suffering a lessening of libido in a sex-obsessed culture? Dec. 2008

Dose of Desire, *CTV*

A film following 3 big pharmaceutical companies as they race to create the first Woman's Viagra. Through the stories of various women, this film investigates the science and ethics behind altering a woman's libido. Sept. 2008

The Bamboo Cross, *Director: Christopher Sumpton*

After a brutal history of religious suppression during the cultural revolution, Chinese Christianity has been a house divided between the state sanctioned "Official Church" and the underground House churches. "The Bamboo Cross" documents the struggles behind a new Chinese Christianity. June. 2008

China's Leap of Faith: The Gods Come Home, *Cogent-Bengel Productions*

An exposition documentary on the recent uprising of Buddhism, Taoism, and various folk religions in China. As many religions are still under the watchful eye of the Communist party, this doc investigates the government's attempt to control the souls of a fifth of humanity. Apr. 2008

Silo: Sage of the Andes, *Director: Daniel Zuckerbrot*

Edited a POV doc investigating who is Silo? For four decades Silo's message of non violence has reached thousands of philosophers, artists, and political activists world wide. Compared with Ghandi and Martin Luther King, Silo's message resonates from a very personal experience to great political action. Feb. 2008

The Houdini Code, *Reel Time Productions*

Houdini was known as the world's greatest Magician; but, few knew Houdini as a great debunker of fraudulent mediums. Ironically, the Houdini Code was a secret message Houdini had with his deceased mother to attempt communication with the after life. Dec. 2007
